This policy is based on current legislation, guidance and best practice and aims to promote consistent practice. This policy applies to all employees, freelance and volunteers at New Roots Workshop CIC.

Purpose

The highest priority purpose of this policy is to keep children and young people working with New Roots Workshop, safe from maltreatment, neglect, violence and sexual exploitation. Safer recruitment means taking steps to ensure we only appoint individuals who are suitable for providing unsupervised activities while keeping children and young people safe from these risks.

Staff and volunteers also follow our Safeguarding Policy to ensure that all individuals ensure children and young people are kept safe from other risks e.g. physical injury, bullying and discrimination.
